**Selling 2010 Ambulance**

Charlie Anderson said the ambulance is still for sale and is listed on several online sites. He said that Chris will be reaching out to another company to see if they can't get some movement. It is being listed for \$15,000.

**Audit**

Mr. Anderson asked the commissioners if they would like to meet with the auditors before, during, or after the audit is completed.

**WeinerFest**

Charlie said they he still doesn't have the exact numbers for what they made during the event. He said he will have those before our next meeting and will report it then.

## **New Business**

### **Administrator Position**

Charlie Anderson reported that he will be moving to Wabeno sometime next year and would like to try to find a way to make it work to remain in the Administrator role. He didn't have an exact date but said it would be sometime in early 2026. He said ideally, he would like to get in a rotation, but if he does that it may potentially hurt the service as they would only have two crew on rather than three during the day. Chris Schultz said that ideally, it would be nice to have three on each crew; however, that would add approximately \$378,000 to the budget. Charlie said that he would have a better idea of when he might move and how it may work early next week. The commissions decided to schedule another meeting on Thursday, September 25, 2025 to discuss further.

### **Budget**

Mr. Anderson and Mr. Schultz then went over the proposed 2026 budget and answered the commissioners questions. After some discussion, Chair Brenda Carey-Mielke presented a resolution upon a motion duly made by Dave Van Zeeland, seconded by Randy Siewert and carried; the following resolution was unanimously adopted:

***RESOLVED, the proposed budget for 2026 presented to the MAS Commissioners at this meeting be and hereby is, approved, pending any further development and changes needed based upon the Administrator position.***

Upon hearing no more new business, Ms. Carey Mielke adjourned the meeting at 6:43pm. The next meeting of the MAS Commission is scheduled for September 25, 2025 at 3:00pm.

Respectfully submitted,  
Dave Van Zeeland, Secretary
