Chapter 30-2019 Golf Cart Ordinance & Application

SECTION 1:

Chapter 30 of the Town of Riverview Ordinances is hereby created to read as follows:

1. Purpose and Definition

A. The purpose of this chapter is to provide a means of travel that is not only convenient and safe, but conserves resources and protects the environment. Golf carts, if properly used, are an effective way to travel for short distances within the Town. However, to ensure the public safety and welfare, the operation of golf carts must not only comply with normal regulations regarding vehicles, but must comply with special safety regulations intended to protect the operator and passengers in a vehicle that is primarily designed for operation on a golf course or recreational purposes. This chapter establishes the basic, minimum standards of care to be used by the operators of golf carts on public roads. Likewise, the public safety requires that golf carts, used as a means of transportation, must also meet certain minimum safety standards that can only be assured through a system of registration. The registration of golf carts is required in order to protect the public health, safety and welfare.

B. Definitions –

Golf Cart – A vehicle designed and manufactured for operation on a golf course for sporting or recreational purposes and that is not capable of exceeding 20 miles per hour.

2. Operation of Golf carts allowed; exceptions

A. **Allowed** – The operation of golf carts on certain public roads within the Town in compliance with the provisions of this chapter shall be permitted; however, it shall be unlawful to operate any golf cart that is not properly registered with the Town or operate any golf cart at any place, time or in any manner not authorized herein.

B. **Exceptions.** The operation of golf carts is not subject to the provisions of this chapter under the following circumstances:

1. The operation of golf carts at golf courses, private clubs or on private property, with the consent of the owner.
2. The use of a golf cart in connection with a parade, a festival or other special event, provided the consent of the sponsor is obtained and provided such vehicle is only used during such event and with standing this ordinance.

3. License Required.

No person who is less than 16 years of age or who does not have a valid driver's license issued under or granted by the laws of Wisconsin or some other state may operate a golf cart on any public road within the Town. For purposes of this section, a learner's permit shall not be considered as a valid driver's license nor shall any license that has been revoked, temporary or otherwise, or suspended for any reason, be considered as a valid driver's license during the period of suspension or revocation.

4. Registration.

A. **Required.** No golf cart may be operated on any public road within the Town unless the golf cart has first been registered with the Riverview Town Clerk or designee as required herein.

The registration shall be renewed thereafter in accordance with the provisions of this section. To evidence the registration, the owner shall be issued a permit which shall be displayed in a prominent, visible place on each side of the golf cart. The permit may contain a registration number assigned for the particular golf cart and may contain an expiration date.

B. Registration Fee. A registration fee in the amount of \$50.00 for a period of (3) three years shall be paid to the Town at the time the application for registration is filed. Renewal is then required every (3) three years. Registration is prorated for year 2 and 3.

C. Application. The application for registration shall be made to the Riverview Town Clerk or to some other person designated, on forms provided by the Town. The application may, among other things, require the owner's name, street address, mailing address, a phone number, the make, model and identification or serial number of the golf cart, and such other information as may be reasonably required as well as a release or disclaimer of liability by the Town for accidents involving the registered golf cart.
