Oconto County Planning & Zoning

The map displays a satellite view of a rural area in northern Wisconsin, spanning parts of Forest County (R. 16 E.) and Marinette County (R. 17 E. and T. 33 N.). The North Branch Oconto River is the central waterway, with its tributaries (Branch Oconto River, Long Lake, Hemicola Creek, and Pine Ridge Lake) and numerous lakes (Hidden Lake, Lincoln Lake, Crab Lake, John Lake, Munger Lake, Bear Lake, Wheeler Lake, Bullfrog Lake, Paya Lake, and Ledge Lake) shown in blue. The land is a mix of green (forests) and grey (agricultural fields). County boundaries are marked by yellow lines. Roads are shown in black and grey, with Highway 32 highlighted in green. Towns like Townsend and Riverview are labeled. A red dashed line runs through the map, and a green line highlights a specific route. Two 'F' markers are present on the map. The map is oriented with North at the top.
